Program Philosophy: Ice World's summer camp program is a unique opportunity to increase competency through a program of class exercises, and a supportive team approach to improving skills. Now in our 21st year, we offer substantial ice time, while recognizing the importance of fun and recreational aspects of skating.

The camp has been designed for both Freestyle skaters and those skaters at the LTS USA Basic 4—Pre-Freestyle levels.

If registering for the 3rd week of camp skaters will prepare a performance to present to their families and friends at **2:30pm on August 11th.**
