## SUMMER HOCKEY BASICS

In an effort to better prepare children to play the thrilling sport of Ice Hockey, Ice World offers high quality Hockey Basics instruction. Each series is 6 or 7 weeks long, can be repeated, and when successfully completed, will prepare the child for Recreational League play.

Hockey Basics, for boys and girls ages 4-15, is designed to teach the fundamentals of proper skating techniques for hockey. Hockey Basics will teach introductory shooting, passing, and stick handling in addition to maneuverability, speed and agility. Prerequisite skill is independent forward skating. Classes are one hour in length and include professional group instruction. Three free public session passes are included with your registration. Completion of our Hockey Skating Lesson Program prior to taking Hockey Basics is strongly recommended.
